

Overview

Up to 90 handsets can be configured for the system.

IDs 10 and 11 are automatically assigned by the base and are designated as "Administrators"

Press "END" to get to previous menus or multiple times to get to home screen.

 12  00 

Registration ↓↑

1. Register
2. Deregister

NOTE: After entering Registration mode, you will have 30 sec until the base leaves registration mode.

How do I add a new phone to the system?

When adding a new phone (ID will be 00 initially), you will need to register the handset with the base station first.

1. From the main screen of an administrator phone 10 or 11, select **MENU**
2. Enter the **REGISTRATION** option number (6)
3. Enter the **REMOTE REG** option number (3)
4. From the main screen of the new phone, select **MENU**
5. Enter the **REGISTRATION** option number (6)
6. Enter the **REGISTER** option number (1)
7. The handset will show **Searching for Base** on the display
8. Once the phone has registered, the handset will show **Registration Complete** on the display and the assigned phone # is listed
9. Repeat for additional handsets

How do I add a phone to a group?

Phones can be assigned to a single group or to multiple groups if needed.

1. From the main screen of the phone being added to a group, select **MENU**
2. Select the **SETTINGS** option number (5)
3. Select the **GROUP SELECT** option number (2)
4. Select **ADD**
5. Enter the two-digit Group ID (01-07)
6. If you need to add the phone to an additional group(s), type in the next Group ID
7. Repeat as necessary

How do I remove a phone from the system?

When removing a phone from the system, you will need to reset the handset and deregister the handset from the base station.

1. From the main screen of the phone to be removed, select **MENU**
2. Press the following sequence: * ## * 0 0 * **No No Yes**
3. From the main screen of an administrator phone (10 or 11), select **MENU**
4. Select the **ADMIN** option number (9)
5. Enter the base number **0 0**
6. Select the **CLEAR HANDSET** option number (4)

How do I remove a phone from a group?

1. From the main screen of the phone being added to a group, select **MENU**
2. Select the **SETTINGS** option number (5)
3. Select the **GROUP SELECT** option number (2)
