# RFT CareConnect™ Web App

We're excited to announce the release of RFT CareConnect, our new web app solution designed specifically for senior living communities. This powerful platform streamlines communication, enhances resident safety, and supports staff efficiency - all in one easy-to-use system.

RFT CareConnect is packed with features that make communication more efficient for senior living communities:

- **Secure login:** Control access with Active Directory authentication.
- **Stay updated:** Receive alerts in the app or via push notifications.
- **Alarm indicators:** App icons display active alarms at a glance.
- **Quick access:** Tap a push notification to jump straight into the app.
- **Cleared alarms:** View resolved alarms directly in the app or through notifications.
