

# SENSATEC®

## Fall Management System

### Fall Monitors

Begins monitoring immediately when a patient is positioned on a sensor pad, triggers an alert when weight is removed, and intuitively resets when a patient's weight is reapplied. Can easily hang or hook on beds, chairs, or wheelchairs.

#### Dimensions (LxWxD)

4.7" x 2.8" x 1.3"

#### Weight

0.4 lbs

#### Power Requirement

(3) AA Alkaline Batteries  
Power Adapter, 5VDC, 500mA (optional - ST750 only)

#### Jack Connections

RJ9 Modular Sensor Input Jack  
0.25" Stereo Floor Sensor Jack  
0.25" Stereo Nurse Call Jack (ST750 only)

#### Audio Output

78dBm

#### Temperature

**Operating:** 41-104°F, 95% non-condensing

#### Warranty

One year

#### Status Indicator

**Solid Green:** 30 second Hold  
**Flashing Red:** In Alarm  
**Blinking Red (every 5 seconds):** Low Battery

### Sensor Pads

Oversized sensor pads ensure reliable monitoring and put an end to false notifications. Durable latex-free pads are constructed of an innovative non-slip material that adheres to a mattress or chair without the need to peel-off adhesive strips or rubber bands.

#### Dimensions (LxW)

30" x 15"

#### Weight

7.3 - 10.2 oz (depending on life of pad)

#### Composition

Polyvinyl

#### Cord Length

54" (connects to fall monitor)  
96" (connects to fall monitor)

#### Dimensions (LxW)

15" x 12"

#### Weight

3.5 - 4.2 oz (depending on life of pad)

#### Composition

Polyvinyl

#### Cord Length

24" (connects to fall monitor)  
96" (connects to fall monitor)

#### Dimensions (LxW)

30" x 15" (bed) or 15" x 9" (chair)

#### Weight

0.7 - 2.2 lbs

#### Composition

Antibacterial Polyvinyl

#### Cord Length

**Bed:** 72" (connects to fall monitor)  
**Chair:** 42" (connects to fall monitor)

#### Dimensions (LxW)

36.6" x 24.6"

#### Weight

3.95 lbs

#### Composition

Polyvinyl

#### Cord Length

103" (connects to fall monitor)

## Additional Sensor Options

Seatbelt sensor and toilet sensor pad options are available for greater protection.

<b>Dimensions (LxW)</b>	52" x 2"
<b>Weight</b>	6.2 oz
<b>Composition</b>	Latex free, nylon, velcro
<b>Cord Length</b>	40" (connects to fall monitor)
<b>Storage Temperature</b>	50-104°F, 30-75% relative humidity

<b>Dimensions (LxW)</b>	5.3" x 2.8"
<b>Weight</b>	1.3 oz
<b>Composition</b>	Polyvinyl
<b>Cord Length</b>	73" (connects to fall monitor)

## Accessories

**Mounting Clip**

**Wall Bracket**

**Nylon Strap**

**Velcro Strap & Strip**

**10' Extension Cord**

**Nurse Call Y Adapter**

**Replacement Boot**

**AC Adapter**

**Nurse Call Connection Cord**
